RESIDENCE COMMUNITY LIVING STANDARDS

2018-2019 STUDENT HOUSING | UNIVERSITY OF GUELPH

UNIVERSITY
of GUELPH

IMPROVE LIFE.

HELLO!

Your roommate, your best friend, your mentor, and maybe even life partner are all people you will meet by living in residence! Meeting new people, adjusting to University, and living with others will be a lot of fun, but it can also be challenging at times; but that's why residence is so great, because there are people all around to support YOU and your academic success. The Residence Life Staff are a tremendous resource for you... Remember, they were once first-year students like you!

LEARNING AND COMMUNITY

You will learn a lot living in residence! You will learn how to share a common space, how to negotiate with a roommate, what a “boogie” is, ways to manage your time, appreciate different perspectives, and what it means to be a part of a community!

OUR PHILOSOPHY

We know that mistakes will happen and, while we deal with serious issues in a manner appropriate to the behaviour, in most situations our goals with the conduct system are to help students:

- Learn appropriate behaviours
- “Restore” the situation by repairing harms
- Re-connect by rebuilding trust

To learn more about our approach and Restorative Justice philosophy, check out the [Process section](#).

As a member of a residence community, you have agreed to contribute to this type of learning environment and abide by a set of expectations to support community living. This document outlines standards to help support you and others to have a fantastic experience in residence this year.

CONNECT WITH US

We want to hear from you and answer any questions you may have. If we don't know the answer we will get one for you. For general inquiries, visit Student Housing Services in Maritime Hall [8:30 am - 4:45 pm] or e-mail reslife@uoguelph.ca.

For questions regarding the Residence Community Living Standards (RCLS), contact the Residence Manager, Administration at rezrules@uoguelph.ca.

Residence Life Management offices and Residence Service Desks are located throughout our buildings. Check out our [website](#) for details.

COMMUNITY LIVING

Community living works best when the rights of others are respected and individuals take responsibility for their actions. In a nutshell, they are as follows:

- To have your person, property and views respected
- To feel safe and secure in your residence community
- To be treated fairly and have an unbiased conduct process

YOU HAVE THE RESPONSIBILITY

- Not to contribute, condone or act in a way that infringes upon another student's rights
- To treat all members of the residence community with respect
- To act in a responsible manner that does not compromise your own safety or endanger the health and safety of others
- To read, understand and abide by the Residence Contract, the RCLS and the University's [Policy on Non-Academic Misconduct](#)

AS A RESIDENT, STUDENT HOUSING SERVICES REQUIRES THAT YOU:

- Check and respond to your U of G email account regularly
- Follow all rules and regulations as established by Student Housing Services
- Follow all administrative procedures such as room check outs

INTRODUCTION

As a resident, it is your responsibility to comply with the behavioural standards outlined here. Our Residence Community Living Standards exist to support your learning and overall personal wellness. Ignorance, anger, alcohol or substance abuse will not be accepted as an excuse, reason or rationale for unacceptable behaviour.

The RCLS also encourage you to take responsibility for your actions to ensure that everyone in residence has a safe and enjoyable experience. If you have any questions regarding the RCLS please contact us at rezrules@uoguelph.ca or talk to your Residence Life Manager.

RESIDENCE COMMUNITY LIVING STANDARDS

Behaviour that does not comply with our RCLS will typically be followed up by the Residence Life Staff (RLS). The RLS will identify any problematic behaviour and will take steps to resolve or document the incident. Additional information on how we address and resolve behaviour that does not comply with the RCLS is outlined in the [Process section](#).

Of course, all residents must abide by all Federal, Provincial, and Municipal laws as well as University policies and regulations. Any behaviour by residents that does not comply with these statutes and policies will be addressed. We encourage all residents to read the University of Guelph's [Policy on Non Academic Misconduct](#).

The Residence Community Living Standards are categorized into seven areas: Alcohol & Drugs, Guests, Respect, Fire Safety, Building Care, Safety & Security, and Dignity & Integrity.

The RCLS which also fall under the [Policy on Non Academic Misconduct](#) are indicated by an asterisks "*". These RCLS may be associated with common campus outcomes.

Student Housing Services (SHS) is committed to supporting the personal, social, and academic success of students who live in residence. Exceptions to the Residence Contract, which include the Residence Community Living Standards, may be made to meet a medical, religious or cultural accommodation request. In order to ensure clarity as to this exception and request for accommodation, SHS will work to establish an agreement for the safety and well-being of individual students and the community as a whole.

Students who wish to request special consideration with respect to a Residence Community Living Standard policy (e.g. use of candles, medical cannabis) may do so by contacting their Residence Life Manager or Area Coordinator (South Residence).

Please note that accommodations are not guaranteed as Student Housing must consider the potential impact on the health and safety of the surrounding residence community, as well as any legal obligations that may exist. For additional information or questions on requesting a special consideration please contact reslife@uoguelph.ca.

OUTCOMES

WHAT HAPPENS IF I VIOLATE A RESIDENCE COMMUNITY LIVING STANDARD?

WE'LL TALK WITH YOU

In most cases when there is behaviour that may not comply with the RCLS you will be approached by one of our Residence Life Staff. They will talk with you about the problematic behaviour [ie. if your music is too loud] and ask you to make adjustments so that your behaviour isn't impacting others in a negative way.

WE WORK TO FIND A RESOLUTION

If the situation is resolved quickly and readily then the RA may just say THANKS! In some cases, the Residence Life Staff will need to ensure that the behaviour stops, you understand how others may have been impacted, and there is agreement from you that it will not continue in the future. In these situations, the Residence Life Staff will work with you to develop a resolution and will then summarize the conversation as a "**Community Resolution**", which you will receive via your University of Guelph email account. If this attempt fails or the situation cannot be readily resolved then the RLS will complete an **Incident Report**.

HOW ARE MOST THINGS RESOLVED IN RES?

BETWEEN YOU, AN RA OR AN (A)RLM.

BETWEEN YOU, A MEMBER OF THE RLS AND AN IMPACTED PARTY.

TOGETHER, AS A COMMUNITY.

PROCESS

WHAT IS AN INCIDENT REPORT?

There are, of course, situations that the Residence Life Staff cannot resolve quickly as they require more time, information, or support. For these incidents, the Residence Life Staff will document the facts in an **Incident Report**. You will be sent a link to access any Incident Report(s) and will be given the opportunity to respond. An Incident Report is then reviewed, typically by a member of Residence Life Management (such as Stewart).

HOW IS A DECISION MADE?

Upon reviewing the facts documented in an Incident Report, a meeting may be requested (by either party), or further information may be gathered. You are always encouraged to express your point of view. A meeting is typically used to discuss what happened, who was impacted and how to move forward. Decisions may take into consideration your acceptance of responsibility, intent of actions and prior residence behaviour.

AM I NOTIFIED IN WRITING WHEN A RCLS IS VIOLATED?

Yes, you will receive a link to access Community Resolutions, Incident Reports, and any decisions to your University of Guelph email account.

WHAT DOES A RESTORATIVE APPROACH MEAN?

Our primary goal is to help you learn from behaviour that has had an impact on others (i.e. harms) and to make things right by repairing harms and rebuilding trust within the community. RLS will always try through their conversations to understand what harms may have been created and how things can be mended, or made right. Ultimately, we want students to learn and for communities to grow.

WHAT IS A CIRCLE?

A circle is a process that RLS may use to address community concerns or restore a situation. It looks as it sounds: those students who were both affected and responsible come together to discuss community experiences and issues in order to find a resolution and move forward.

Check out our website to learn more about **Restorative Justice** and our approach.

OUTCOMES

WHAT WILL THE DECISION BE?

Our hope is that students will learn from mistakes, work to repair any negative impact from problematic behaviour and rebuild trust in the community. In order to accomplish these goals, one or more of the outcomes listed below may be used.

POSSIBLE OUTCOMES

BEHAVIOURAL CONTRACT:

A set of behaviour expectations or conditions that are determined with the student.

CONFISCATION OF PROPERTY:

Items which do not comply with the Residence Community Living Standards may be confiscated or destroyed as per the Confiscation of Property Policy.

EVICITION:

The termination of a student's Residence Contract requiring them to vacate residence by a specific date or immediately, if deemed necessary by Student Housing Services. Other conditions including posting may apply.

LOSS OF PRIVILEGES:

Specific privileges may be suspended or revoked for a given time period [ie. access to lounges, hosting a guest, consuming alcohol in residence]. A loss of privilege may also be associated with a probation period in which any subsequent incidents or breach of restricted privileges may result in further action.

MONETARY SANCTIONS:

Includes fines and conditional fines which are placed on a resident's account. Monetary sanctions range from \$25 to \$500.

ON NOTICE:

A status to inform students that their behaviour or conduct history is unacceptable. Generally used for less serious incidents or for students who have prior **Community Resolutions** or **Incident Reports**. If a student is on notice and there is subsequent behaviour contrary to the RCLS, the student may be placed on residence probation.

POSTING:

A student is banned from a residence area or residence building. Violations of a posting may result in a charge pursuant to the Trespass to Property Act.

PROBATION (RESIDENCE & NON- ACADEMIC):

Is a formal status, typically imposed for one or more semesters. During the **probation** period, privileges [e.g. alcohol, guests] may be lost and any subsequent violations may result in further action, including eviction or sanctions from the University Judicial Committee.

RESTITUTION & COMMUNITY BILLING:

Is a monetary reimbursement for actual damages or loss of University or personal property.

RESTORATIVE AGREEMENT:

An agreement made with a resident to outline specific goals or expectations as a means to repair harm and rebuild trust.

SERVICE PROJECT & EDUCATIONAL OPPORTUNITY:

An opportunity to learn, develop, reflect or make amends [e.g. Community Service hours, projects, interactive seminar, online workshop or reflective assignment].

SUSPENSION:

A period of time where a student is temporarily prohibited from residing in residence. During this time a student is responsible for the full cost of the residence space and is posted from all residences.

TRANSFER:

When a resident is required to relocate to an alternative residence or room [room costs will be applied].

WRITTEN APOLOGY:

An expression of remorse for an action or behaviour that includes a commitment to make amends.

INDIVIDUAL & PROCESS PROTECTIONS

RIGHT TO APPEAL

Once you receive your decision and if you wish to appeal, you must submit a written appeal to the Residence Manager, Administration within three (3) business days of receiving the decision letter. Your letter of appeal must be based on the following grounds:

- A lack of procedural fairness;
- The outcome is unreasonable given the behaviour involved;
- New information has come to light that was unavailable at the time of the original decision.

Upon receiving your appeal, a meeting will be arranged with the CSO to discuss the contents of your appeal and possible resolutions. The CSO will then work with you to discuss all options available to pursue your appeal.

Students receive one appeal route only per decision. All appeal outcomes are final and cannot be appealed further. For additional information on appeals please visit our website.

ADDITIONAL INFORMATION

STANDARD OF PROOF

The model used within the Residence Community Living Standards is a balance of probabilities. If, after all credible information has been heard, the Student Housing Services' personnel involved believe that the incident is more likely to have occurred than not and there is reasonable proof that the person(s) responsible can be determined, then the standard of proof has been met.

AUTHORITY

The RCLS are governed by Student Housing Services under the authority of the University of Guelph and in accordance with the **Policy on Non-Academic Misconduct**. Any behaviour by a resident or individual within a defined Residence Area that does not comply with a) these Residence Community Living Standards; b) University policies and regulations; and/or c) Federal, Provincial and Municipal laws may result in staff addressing problematic behaviour.

PRIOR BEHAVIOUR

A resident's prior behaviour (including prior Community Resolutions or Incident Reports) is considered when outcomes are issued. Outcomes are progressive as violations of the RCLS occur. Prior behaviour in residence may also be considered at University Judicial Committee hearings.

RESIDENCE CONTRACT

Serves as the overarching document that defines the relationship between the student and Student Housing Services.
