

Assistant Residence Life Manager (ARLM) 2016-2017

Name: Sean Park

**Current
Role:** Residence
Manager at Carleton
University

Why did you choose to become an ARLM? There are many reasons why I chose to become an ARLM but the one that stands out the most was the opportunity for me to grow from the experience. I knew that I wanted to work in housing and student affairs after graduation and after having spoken to my friends who had been an ARLM, I knew that this would be the perfect opportunity to set me up for success.

What do you love best about your role?

It's hard to pinpoint a single aspect of the role when it really is the entire thing. There are so many learning opportunities that I had whether it was from the day-to-day responsibilities, portfolio work, or just picking the brains of the people I was working with. Having so much experience and perspectives to learn from completely changed my own perspective of Residence Life. Plus the people you get work with are pretty cool too so that's always a bonus :).
