

## The Costs of Vandalism Assignment

### Learning Outcomes

The purpose of this assignment is to encourage you to:

- Research and understand the financial, labour, and intangible costs associated with your actions.
- Demonstrate the degree to which you have reflected on your actions.
- Outline any goals and/or identify next steps to repair the harms caused by your actions.

### Instructions

In this assignment you are asked to account for the costs of vandalism. We ask that you complete the following:

- Research how much it would cost to cover the damage associated with the vandalism and create a list of these costs.
- Include the costs of supplies and labor associated with repair and cleaning, as well as replacement fees.
- Make a note of intangible costs such as the inconvenience of your peers or harms to your community and reflect upon what message has been conveyed through your actions.
- Reflect upon the costs of your vandalism and discuss whether you would like to change your actions related to vandalism after reflecting upon these costs.
- Discuss the actions that you will take to restore the damage that your vandalism caused to your community.

### Requirements:

- Typed, double spaced, minimum of 500 words in Word Document format  
**OR**
- 3-4 Minute Video Submission

### To Submit

Please submit your completed assignment to the Community Standards Assistant at [communitystandards@uoguelph.ca](mailto:communitystandards@uoguelph.ca) by **11:59pm** on the date listed in your outcome letter.

*Student Housing Services is dedicated to upholding confidentiality. Your letter will be reviewed for completion and quality of the submission by a Community Standards Assistant and may be reviewed by a member of the Residence Life Management Team.*

*If you have any accommodations or require this information in an alternate format, please contact [communitystandards@uoguelph.ca](mailto:communitystandards@uoguelph.ca)*
